Putting the Science Police to Better Use - Bloomberg Justin Fox is a Bloomberg Opinion columnist covering business. He was the editorial director of Harvard Business Review and wrote for Time, Fortune and American Banker. He is the author of "The Science of Putting | GolfMagic If our golfer aims for the centre of the hole (108mm in diameter), the putt will miss by 25mm (one inch). So now the secret is out. You'll always miss a straight, flat putt on the left using a. Putting the science in fiction | Cosmos Science and science fiction have always inspired each other but never more than today when initiatives to formalise the cross-pollination are growing. Science fiction authors and film directors.

Putting the "Science" in "Science Fiction": Vibroblades Putting the "Science" in "Science Fiction": Vibroblades. Vibroblades are also safer for the operator than a chainsaw, since there is no chance of a chain snapping and lashing back at the person using it. Another huge difference between these tools and chainsaws is that vibroblades are actually more precise than conventional blades.
